

VOLUNTEERS NEEDED

GBVBA BED BUILD: NOVEMBER 14TH

During an SHP Build Day, employee volunteers from local businesses from the community use raw lumber and some easy-to-use tools to build handmade bunk beds for the children in your town who are sleeping on the floor. These events are made possible by generous donations from local sponsors and through our simple and easy-to-follow process, anyone can participate even if you have no previous woodworking experience.

AVAILABLE SHIFTS:

- ✓ 7AM - 9AM
- ✓ 9AM - 12PM
- ✓ 12PM - 1PM
